EMPLOYMENT ONTARIO

npower canada

Impact:

NPower Canada has a proven track-record of launching young adults into successful IT and digital careers that change their economic trajectories while meeting the technology labour demands of Canadian employers.

To be eligible young adults must

- Be between 18 to 29 years of age

- Have completed high school, or GED

- Demonstrate financial need

- Be motivated to work

- Be legally able to work in Canada; have a work permit

- Have strong English language proficiency (e.g. CLB Level 7/8)

- Experience barriers to pursuing post-secondary education and securing sustainable employment

NPower Canada provides youth with training, job placement services and ongoing support to succeed in the workplace
