Working Groups

Thank you to the PIAC members who have already signed up for the 2017-2018 working groups.

Many PIAC Reps/Alts still have not completed the [online working group sign up form](#).

Please remember that **PIAC bylaws require all PIAC members to participate in at least one working group** and membership is subject to renewal each year. If you have not yet completed the form, please do so as soon as possible!

PIAC Annual Parents Make a Difference Conference

This year's conference will take place at Earl Haig S.S. on **Saturday, November 25th**.

Year End Survey Results

Thank you to the PIAC members (8) who completed the 2016-2017 Year End Survey. The co-chairs also received some comments in person and by email.

Summary of results:

- All respondents agreed that PIAC has enough funding and staffing to support our committee functions.
- Most respondents indicated that PIAC has the respect and support of key stakeholders within the TDSB.
- Half of the respondents indicated that PIAC members need more training and resources to do their job.
- All respondents agreed that PIAC meeting frequency and length are appropriate.
- A couple of respondents were concerned that meetings did not start/end on time and that we can still make better use of our time.
- All respondents agreed that PIAC members treat each other with respect, that PIAC members are listened to, and that their comments are valued.
- Suggested improvements:
 - Written reports requested from co-chairs, Executive Superintendent and PCEO
 - More time to discuss issues
 - Meeting model is stale and needs revamping
 - Need to end on time
 - Webcast would allow more members to participate and would be better than teleconference option.
 - Motions and action items from previous meetings require more follow up.

Follow-up:

- Written co-chair reports will be provided
- Co-chairs, in cooperation with Executive, will continue to work on creating effective agendas
- Planned boardroom equipment upgrade has been delayed. Webcasts will not be available for the 2017-2018 school year.
- Follow up information on motions and action items will be included in co-chair updates.
