*December 19, 2017*

## **Program & School Services Committee (PSSC) Deputation**

## **Status of Previous PIAC Motions and Action items**

### School Generate Funds Guidelines - March 21, 2016

**ACTION ITEM:** PIAC was presented with the revised (February 2017) School Generated Funds Guidelines at their March 21, 2017 meeting and provided feedback on the document. PIAC requested that the final draft of the guidelines be brought back to PIAC for feedback and was informed that the document would come back to us once our suggestions were incorporated. PIAC was also informed that the board is working on a process to finalize the procedure through consultations with school councils.

**UPDATE:** Michelle Munroe indicated in her November PCEO update that Business Services is working on a response.

### SAC Survey Snapshot Report - June 20, 2017

**UPDATE:** Survey results have not yet gone to the Program and School Services Committee (PSSC) for discussion. PIAC's response document was included in the September report to PSSC. Co-chairs will follow up with PSSC when the survey comes to the committee.

### TDSB School Profile pages - April 25, 2017

**MOTION:** that the 'parent' and 'school council' tabs of all TDSB school profile pages include a reference link to PIAC's website

**UPDATE:** Planned update of all TDSB school web pages during the summer was not completed. Communications/Outreach working group will follow up with TDSB communications on new timeline.

## **Enhanced Equity Task Force (EETF) Working Group**

The co-chairs of PIAC (Trixie Doyle and Wilmar Kortleever) were invited to join a writing working group to look over the final draft of the EETF report and give feedback on language and presentation to make sure the document is understandable to parents and reflects the feedback given during the consultation period. The meeting was held the morning of November 28th. Work continued on November 29th, but neither co-chair was available for this added session. The final report can be found at the link below and was presented to the board at their December 13th meeting.

## **Parents as Partners 2018 Conference**

We are still looking for a couple of PIAC members who can represent PIAC on the Parents as Partners Conference planning committee. The conference is a collaboration between PIAC, SEAC, ICAC, the Mental Health & Wellbeing Parent Committee, and TDSB staff. The event will take place on Saturday, April 28th. Planning meetings are scheduled for the last Monday of most months and can be found in our [online PIAC calendar](#). If you are interested in helping out with this event, please contact the co-chairs at [info@torontopiac.com](mailto:info@torontopiac.com).

Workshops submissions from PIAC were based on registration numbers and feedback from past PIAC and Parents as Partners Conferences.

## **Working Groups**

A few PIAC members have not yet signed up online for any working groups. A reminder to all PIAC members that our bylaws state that all members must participate on at least one working group. If you have not yet signed up for a working group, please fill out the online form at <https://goo.gl/forms/iwijkxOsLMIVC5qP2> asap. If you have any questions about the working groups, please contact the co-chairs at [info@torontopiac.com](mailto:info@torontopiac.com)
