

2016 Snapshot of School Council Operations in the TDSB

Report recommendations for PIAC

Membership and Operations (page 4-5)

- The Parent Involvement Advisory Committee collaborates with Elementary Teachers of Toronto and Ontario Secondary School Teachers Federation to develop strategies for enhancing teacher participation on School Council.

Meetings

- No recommendations for PIAC.

Funding (pages 5-6)

- The TDSB collaborate with PIAC to explore appropriate model(s) for council sharing of financial and human resources, where feasible.
- The TDSB, in collaboration with PIAC, explore closing the disparity in the amount of money raised by School Councils by sharing the money with School Councils in need of additional financial supports for School Councils activities or by capping the amount of money schools can raise to under \$7,000.

Communications and Relationships (pages 7-8)

- School Councils consider... (3) enriching their connections beyond their own school by having representatives regularly attend Ward meetings, PIAC events, and TDSB sponsored training sessions and workshops.
- PIAC enhance communication on the services and supports it provides to council (e.g. annual conferences, School Council appreciation events, etc.)

Building Capacity

- No recommendations for PIAC.
