

TDSB Charter

for Active, Safe and Sustainable Transportation

The TDSB will:

- invest resources to support active, safe and sustainable transportation to and from school, including efforts made within the school itself;
- identify and remove barriers to getting to and from school actively by partnering with stakeholders to work as a coordinated team;
- connect students' active transportation to and from school to their learning in health, environmental, technological, and physical education, and other curriculum areas;
- collaborate with internal and external partners to facilitate the implementation of school travel plans and road safety education along with other measures to expand on existing programs within schools and;
- increase students' overall physical activity and mental health through positive interactions with peers, parents, and staff.
