

Step 1: Create an account

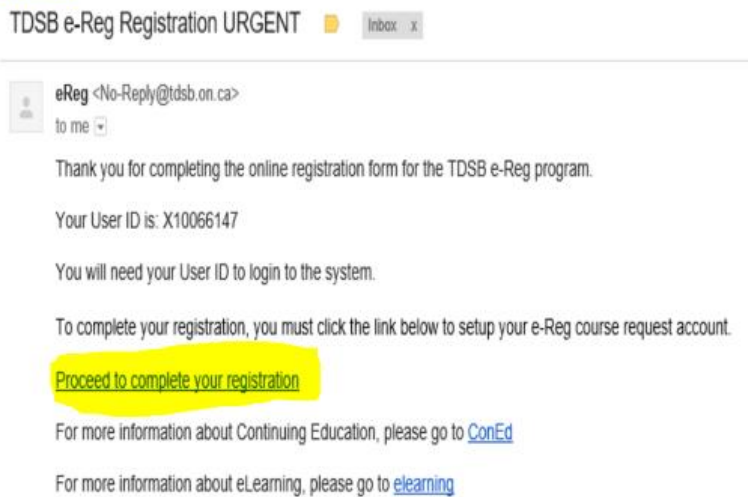

1. Please read 'How NON TDSB Students & Adults Register' before proceeding
[How NON TDSB Students & Adults Register](#)
2. Click the following link for the [Non TDSB Students & Adults Registration Form Link](#)

Step 2: Set up your TDSB account

1. Once you create your TDSB account a user ID number will be provided to you.
Note: You MUST proceed to 2 and set-up your account within 24 hours.
2. Check your email inbox and junk mail for an email from coned_eReg@tdsb.on.ca.
 - Click on 'Proceed to complete your registration' to set up your security and password.

Once you have completed the registration you will receive an email as per below sample.

Important: In order for your account to be active, Click on **Proceed to complete your registration to setup your eReg account.**

3. Please make sure you click on 'Go to Continuing Education Login'- see below- this will then prompt you to login where you can proceed to #3.

Your e-Reg account password was successfully set and your account has now been activated.

Please choose one of the options below to login to e-Reg:

[Go to eLearning Login](#)
