INFORMATION SHARING

TDSB Partnership with Black Youth Helpline

The TDSB is pleased to be working with the Black Youth Helpline (BYH) to support our students and families. BYH works in partnership with school boards to help youth remain and succeed in their education. Their primary focus is the “Stay-In-School Program,” which serves as a point of contact to build healthy relationships between schools, families and communities.

Please feel free to share the [attached](#) information flyer with the members of your school community. Should you wish to contact the Black Youth Helpline BYH to access their services as a Principal or V-P, or if BYH representatives contact your school, you may be secure in the knowledge that BYH will work hand-in-hand with you to support your students and families.

TDSB Launches Budget Consultations

As Trustees continue to consider the 2019-2020 budget, the Toronto District School Board (TDSB) is asking for help from parents/guardians, students, staff and community members. They're being asked to complete the online [2019-20 Budget Community Survey](#), so that this important public input can assist Trustees in developing this year's Operating Budget in alignment with its [Multi-Year Strategic Plan](#).

Tuesday March 19, 2019

The survey provides a description of the eight proposed *Strategic Budget Drivers* that will help guide Trustees in their decision-making process. Following each *Strategic Budget Driver*, respondents are asked for their comments regarding the Driver. These drivers will be critical because they will help the Board to ensure that the budget funding decisions support student success.

TDSB Trustees have also begun hosting [Ward Forums](#) across the city to provide their communities with details on the budget process and an opportunity to provide further input. The Board is also presenting those budget details to three of its Advisory Committees.

Quick Facts

- The deadline to respond to the Budget Survey is Tuesday, April 2.
- A final balanced budget is expected to be approved this June.
