

PIAC Chair Report

November 19, 2024

PIAC Meetings

A reminder to everyone online and in the Boardroom that PIAC general meetings are recorded and are attended by not only PIAC members but by Trustees, staff, and members of the general public. As well the general PIAC meetings are posted on the TDSB website to be accessed by anyone that visits the website. Let us all use respectful language, conduct during all PIAC meetings.

Code of Conduct

PIAC's code of conduct is available on the Google drive and is available for all members to read. Please make yourself familiar with the code of conduct, if you have any questions about the code of conduct please feel free to reach out to the co-chairs. PIAC's code of conduct is in place to remind all of us that our behavior is to be respectful, and allows all of us to feel safe in all PIAC spaces from small conversations to large general meetings.

This safety gives all members the space to do the great work that PIAC does, allows all of us to safely speak and share ideas. We all have to acknowledge that we may not always agree with each other all the time and understand that with those moments it provides us with the opportunity to have discussions and work through items we need to support school councils, parents, caregivers and students of the TDSB. Please understand that in a general meeting there may be times that a discussion may need to be taken back to a working group for further discussion, this will still allow voices to be heard and important issues to be discussed but still allow for the business of PIAC to take place at our general meetings.

PIAC Ward Co-representative Elections: Welcome and Welcome Back

PIAC ward co-representatives recently took place in ward 1 on Friday November 15, 2024 and ward 4 on Monday November 18, 2024. A warm welcome to our newly elected member Nabil Hadbun and a warm welcome back to Erin Clarke in ward 1, as well as a welcome to Johnson Jayelola and a warm welcome back to Tamasha Grant in ward 4. Thank you to all trustees who have held PIAC ward co-representative elections, those who have elections planned and those who are

currently looking at their calendar of scheduled ward forums to hold PIAC ward co-representative elections. I am looking forward to being able to welcome and welcome back members to PIAC.

PIAC Working Groups

The important work of PIAC happens as we support our school councils and school communities in person and direct communication as well in our PIAC working groups. As per our PIAC by-laws each PIAC member is required to sign up and participate in at least one PIAC working group. There are two types of PIAC working groups, the governance and non-governance working groups. The current governance working groups are; Membership, Operational Effectiveness which includes Budget and By-laws, and the Strategic Planning workgroups which are open to all PIAC co-representatives and the CLG representative to PIAC. Our non-governance working groups are; Communications, Special Events, School Council Support and Consultations working groups which are open to all PIAC co-representatives, members, TDSB Parents and Caregivers as well as persons from the community. Please look out for the link from the PCCE Office to sign up for a working group and read the working group descriptions. All of our working groups are supported by the TDSB PCCEO team (Parent Caregiver and Community Engagement Office). If you have any questions please feel free to reach out to the co-chair.
