

A photograph of several young children sitting at a red table in a school cafeteria. In the foreground, a young boy with short dark hair, wearing a red shirt, is smiling at the camera while holding a sandwich. Behind him, a girl with dark hair in a ponytail is eating a sandwich. Further back, another child is visible, and to the right, a blonde child is drinking from a bottle. On the table, there are various food items including a whole apple, a container of grapes, and a bowl of mixed vegetables. The background is bright and out of focus, showing windows and other parts of the cafeteria.

Toronto Foundation for Student Success

Who We Are

Founded in 1998, the Toronto Foundation for Student Success (TFSS) is an independent, registered charitable organization dedicated to supporting Toronto District School Board (TDSB) children and helping remove barriers to their education.

The TFSS acts as an advocate for students, identifying and initiating programs to deal with the hunger, poverty and violence experienced by students and our programs have expanded over the years as the need has escalated.

TDSB Student Nutrition Program Office

Who We Are

- Support to school administration to start up and maintain nutrition programs:
 - Parent Advisory Committee
 - Parental Contribution
 - Local Capacity Building
 - Program Coordinators
 - Support for Operational Issues
 - Policy Development

Benefits to Students

Impact:

Research has shown that students participating in nutrition Programs:

- Are able to concentrate better
- Retain and apply information more effectively
- More likely to demonstrate positive behaviours and relationships with peers
- Able to appreciate and enjoy a variety of foods
- Develop good nutrition habits that will last a lifetime

Feeding Our Future Research and Evaluation Project conducted a two-year pilot in 7 TDSB schools starting in 2008.

The research showed that students that eat the morning meal on most days in school week achieved better grades, felt better about their overall health and were on-track to graduate.
