Meeting Date	Wednesday, October 16, 2019.
	<ul style="list-style-type: none"> • EHSS lunch room capacity is 600 with round tables configuration and also meets fire code regulation. • Tables and chairs need to be rented and quote is very close to budget estimate. • Bussing will be offered. # of busses will be determined by # of requests and participants shall need to confirm bus by email 2 days before event. • Interpretation will be offered. # to be determined same as bus requests and also require confirmation. • Childcare will be provided and a number to be determined based on budget & participant #s and also require confirmation. Walk-in registrations requiring childcare will be accommodated after checking the safety ratio of caregivers to children is acceptable. • Childcare coordinator quote came in much higher but the value is there and not enough time to source another option. So decided to keep same coordinator as last year with some recommendations for tidiness and communication between ECEs and coordinator. • Vendor packages are with Business Services and will go out. Aim to have a vendor area and generate revenue of \$4500 with 15 for profit vendor tables, 15 non-profit vendor tables and 5 vendor materials only drops. • Volunteer Coordinator to be Shafoli Kapur! Thank you Shafoli! • Solicit volunteers from Earl Haig SS for help Fri Nov 15th 6-10pm and Sat Nov 16th 8-4pm. Student volunteers can also be in the child care room with childminding staff. Pizza will be served for volunteers' dinner on Fri Nov 15th.
