

# WEBINAR WEDNESDAYS

## PATHWAYS TO POST-SECONDARY EDUCATION AND SKILLED TRADES

The Centre of Excellence for Black Student Achievement presents Webinar Wednesdays. This session focuses on Pathways to Post-Secondary and Skilled Trades options. Discover educational trajectories, apprenticeship opportunities, and essential supports for a successful transition from high school. Equip your child with the tools for success!

### Who Should Attend:

- Parents, families and caregivers of Black students interested in exploring post-secondary education options.

**Don't miss this opportunity to inform your child's future!**
