We need to complete this as a committee as well</li> <li>● In terms of timeline – not immediate, take time to do it so the goal is for 2 committees to work together with the trustees and director and then for the directory to report in the next fall 2025</li> </ul> |                           |

It will be good for us and help us collect different feedback and have deeper look at the committee</li></ul> |                           |

The board has 10 which means we cannot add new ones.</li> <li>● <b>Question:</b> Do they want to vet up the committees that we already have?<br/><b>Response:</b> Yes, so we are that's part of the governance procedure that was adopted last year is that all committees are vetted every 3 years to be more holistic</li> <li>● The review to help us look at what of the 10 committees that we have available to us are we serving all the needs across those (service of board &amp; MYSP) do they serve needs of board and students</li> <li>● <b>Question:</b> If we find that they do not serve the needs, is there room for new committees?<br/><b>Response:</b> there is not (we have 10 so we cannot add more)</li> <li>● <b>Question:</b> Are we looking at overlapping agendas with trustees? Looking to merge committees that have overlapping agendas , would that create space for more committees if necessary?<br/><b>Response:</b> We are supposed to also be reviewing terms of reference with new procedures adopted in Jan, looking at terms of reference, mandate also in existing committees. EPCAC formed 19 years ago and was only committee that dealt with anything equity in system; since then ICAAC – used to be model schools – look at social deterrence for health, overlapping mandate,</li> <li>● <b>Question:</b> What 10 committees do we currently have?<br/><b>Response:</b> Alternative schools, Black student achievement, Community use of schools, Environmental sustainability, Early Years, Equity Policy,, French as a second language</li> </ul> |  |

- **Question:** Is there a recommendation to look at merging or they are saying we should merge
- **Response:** Merging 2 committees has been many years conversation, looking at what's the best format has been many years conversation, as committees have evolved as other ones that also deal with equity
- **Question:** Will there be information provided on alternative models and is there a plan for the 2 groups to meet together for a consultation.
- **Response:** Trustee Dawson (ICAAC) they are able to meet and discuss, we need to make a plan on how to do that make time for one meeting and also work with and rely on Michelle Monroe office as well.
- **Question:** When is the review of the 3 committees?
- **Response:** No notice yet but scheduled EPCAC is for January 2025.
