

Lynnwood Heights Jr. PS Summer School

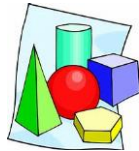

LITERACY SKILLS

Students will further develop their reading, writing and oral literacy skills through hands-on inquiry, discussions, presentations, and through the integration of technology.

NUMERACY SKILLS

With a focus on Mathematics, students will be able to further develop their skills in problem solving, critical thinking and communication.

BUILDING and STRUCTURES (K - Gr. 5) / DESIGN and TECHNOLOGY (Gr. 6 - 8)

Students will explore and be engaged in daily hands-on building experiences.

Join us for our 2021 Elementary Summer School Program for students in JK/SK – Grade 8!

In-person and **virtual** classes available.

Date: July 5 – July 30, 2021

Time: 9 a.m. – 12 p.m.

In order to be successful, your child is expected to attend summer school each day for the entire length of the Summer School program.

PLEASE NOTE: Bussing is only available at designated MSIC school sites which are yet to be determined. Otherwise, transportation is NOT provided, and will be the responsibility of parents/guardians.

SPACE IS LIMITED!

Priority will be given to students in Grades 6, 7 and 8.

A confirmation will be sent to the student's home school or parent/guardian email in early June.
