

Toronto District School Board

2019 Summer Music Camps

Registration is open now!

Summer Sounds is a great place for your child to make some new friends while playing music in a fun and educational setting. Through music, students develop social skills, self-discipline, patience, determination and self-esteem. When the students have completed the three week camp, they will be better musicians and they will have many lasting memories and meaningful friendships.

During the three week camp students will perform in many different ensembles: concert band, string orchestra, chamber strings, guitar ensemble, jazz ensemble, woodwind ensemble, percussion ensemble, or brass ensemble. They will also have the choice of learning how to play the guitar, keyboard, a second band or string instrument, use GarageBand to compose, sing in a choir, or bucket drumming and there will be many opportunities to perform for parents throughout the program as well as an evening concert on Thursday July 18th.

Registration:

Students who have completed grades 4,5,6,7,8, or 9 as of June 2019 are eligible to register for the Summer Sounds Music Camp. Students who are younger than grade 4 are too young to be enrolled in this music camp. Students who have completed grade 10 may apply to be a student volunteer. Register early as spaces are limited to the first 100 students and classes are filled on a first-come, first-served basis.

Each student needs to have a band or string instrument for the Homeroom periods. You have a few options to fulfill this requirement:

- a) bring your own instrument from home; or
- b) borrow an instrument from your school.

Instruments for all other classes will be provided by Summer Sounds.

DownTown Summer Strings benefits students who have at least one year experience playing the violin, viola, cello or double bass. Instructors will provide master classes, coach small ensembles and conduct a string orchestra. DownTown Summer Strings concludes with a concert open to the public. It is open to all students in Grades 3-8 and enrolls a maximum of 80. Register early to guarantee your spot!

Instruments are not provided. Students should consult with their school's string instructor/teacher to borrow an instrument for the summer. Please indicate which instrument(s) you play on the registration form.

Walk-in registrations are welcome starting the first day of camp!

Toronto Summer Music Camps offer Grades 5-9

instrumental music students the opportunity to attend a residential music camp held at Mono Cliffs Outdoor Education Centre, near Orangeville.

Three camp sessions are held over the course of the summer.

Camp 1: for Grades 6-9, from June 29 - July 7

Camp 2: for Grades 5-8, from July 9-14

Camp 3: for Grades 5-8, from July 16-21

The camps combine an exciting music program with valuable social and recreational activities. Music students will have a complete orchestral experience, exploring all music genres from the classics to pop. They do this through the large ensembles: Full Orchestra;

Concert Band and String Orchestra. Students also receive instruction during master classes and through small ensembles.

We offer a variety of recreation activities including a Karaoke Night, Carnival Night, Camp Hollywood, Tribal Council and daily activities during the famous Olympics 2019! The camp concludes with a student concert outside on the final day of each camp.

The music faculty is comprised of outstanding teachers from elementary and secondary schools and professional musicians. The specialists and conductors are skilled on their instrument, have experience leading ensembles, and are also skilled in teaching the age groups attending the camps. Outstanding camp counsellors expertly assist faculty.
