Subject: **TDSB Day in lieu of National Day for Truth and Reconciliation**

Dear Child Care and BASP Partners,

In alignment with TDSB's Collective Agreement with CUPE, the TDSB will be providing specific employee groups, which include caretaking staff, with a day off in lieu of the National Day for Truth and Reconciliation on December 31, 2024. Please note that this day continues to be included in the Early Years Lease Agreement for child care and BASP partners and you may operate on this day as you usually would. TDSB will manage caretaking scheduling for this day and no permits or additional occupancy costs are required to access your leased space. If your program will be closed on December 31, 2024, we ask that you please let your school's Head Caretaker know so that caretaking support can be redistributed as needed.

Thank you,

TDSB Facilities Services and Child Care Services
