Additional Qualification **AQ**

The Additional Qualification Course: Mentoring

This course provides you with the opportunity to explore the theoretical foundations associated with mentoring and develop a deeper understanding of the mentoring relationship. You will become increasingly aware of the needs and gifts of beginning teachers and student teachers as well as your own needs and gifts as teacher-mentors. You will participate in an adult learning model, where you'll work as a community of learners to develop technical, adaptive, and leadership skills in mentoring.

February 3 to April 4, 2025

10- 90 minute virtual synchronous classes on Wednesdays from 6:00pm to 7:30pm and asynchronous learning (100 hours) + self-directed inquiry (25 hours)

Instructor: Jennifer Watt

Tuition: TDSB Staff \$450

Non-TDSB Educators \$650
