Return to School

Monday, August 9, 2021

5:30 – 7:00 p.m.

As we re-open our schools, under the direction of Toronto Public Health and the Ministry of Education, the TDSB is doing everything possible to ensure the physical health and safety of all school community members, while also providing the best learning experience possible for students, supporting mental health and well-being and considering the needs of families and staff. Please join us and our Superintendents to discuss what that will look like and answer your questions.

If you are interested in participating, please register:
