# Pile 1 or pile 2?

Easiest way to pile 2:

- Project idea doesn't fit the grant mandate or focus
- Application is not clear, concise or compelling
- Application components or elements (e.g. budget, timelines, resources) don't add up

# What would I do?

Step 1: Dream and Reflect

Step 2: Select you idea(s)

Step 3: Refine your idea

Step 4: Research funding options and funders

Step 5: Draft It, Assess It,  
Review It Twice
