Dear Parents/Guardians/Caregivers and Community Members:

The Toronto District School Board (TDSB) would like to invite you to a virtual public meeting about proposed changes to attendance boundaries for **Humberside Collegiate Institute, Runnymede Collegiate Institute, and York Memorial Collegiate Institute.**

A Local Feasibility Team, composed of TDSB central staff and local principals, has been established to explore options. The proposed changes include:

- Directing the shared secondary attendance area between Humberside CI and York Memorial CI solely to York Memorial CI.
- Allocating the split George Syme CS intermediate attendance area, currently divided between Humberside CI and Runnymede CI, entirely to Runnymede CI for secondary school.

These proposed changes align with the guiding principles outlined in the TDSB's Long-Term Program and Accommodation Strategy (LTPAS), specifically to "establish consistent attendance boundaries across the TDSB by reviewing instances of shared boundaries where multiple schools serve students based on home addresses and split attendance boundaries that separate graduating cohorts among multiple schools."

Further details about the proposed attendance boundary change will be presented at a public meeting where parents/guardians/caregivers and community members will have an opportunity to provide feedback and ask questions.
